Providing quality education

MES-AIMAT AT A GLANCE

Founded in 2001 by Muslim Educational Society, affiliated to M.G. University and approved by AICTE, MES Advanced Institute of Management and Technology (MES-AIMAT) is one of the finest private educational institutions in Kerala. MES-AIMAT is committed to work for the educational, social and economic advancement of the people in India in all possible ways. To promote higher and technical education and improve the standard and quality of education among the people in general, minorities and backward classes in particular. MES-AIMAT constantly strives to become the centre of excellence by continually improving its systems based on the customer / industry needs.

MES GOLDEN JUBILEE CELEBRATION

MARKING 50 GLORIOUS YEARS (1964-2014) OF STEADY,
REMARKABLE and EXCELLENT GROWTH AS AN EDUCATIONAL
CONGLOMERATE IN INDIA

The Muslim Educational Society (MES), Calicut, is a pioneering nurture of the Muslim Community in Kerala, established in 1964 under the tutelage of the charismatic personality of the late Dr. P.K. Abdul Gaffoor and a number of other philanthropists. MES is a non-profitable charitable society managing a large number of premier educational institutions in India and abroad. MES have succeeded in establishing more than 200 institutions of repute including Medical, Engineering, Management, Arts and Science colleges, schools under CBSE, ICSE and State syllabus, teacher's training institute and other institutions for learning, training and social services during its checkered history of fifty fruitful years.

Director's Message

DR. P A HABEEB RAHIMAN
M.Com, CAIIB, MBA, PhD

Dear Student, Welcome to MES-AIMAT

Muslim Educational Society (MES), a not-for-profit institution which was established in 1964, had always been in the forefront of providing quality education to students from all strata of the society. We strive to prepare students who make a real difference in the world we live in through our unique educational programs.

MES-AIMAT a shining star among MES educational institutions is your gateway to lifelong learning opportunities in management and technology. This institution offers you an entry point to transform you to build connections between contemporary work challenges and ever expanding universe of diverse knowledge. MES-AIMAT has always believed in providing high quality education to our students and is an ISO 9001:2008 certified institution. Nestled close to river Periyar, our aesthetically designed campus with AC class rooms, student centered participatory learning methods through case studies, group discussions and experiential learning methods will help students to develop skills needed to excel in handling complex situations. Our students always brought laurels to the institution through their academic & extracurricular excellence, which include securing 2nd rank in the University exam for MCA course in the year 2012 & 2014.

I invite you to be a part of India's leading education group with more than 50 years of experience in the field of professional education. We put you in an enviable position to grow academically and personally, giving you confidence to build total leadership for accomplishing your career goals and aspirations. I encourage you to explore all that we offer at MES-AIMAT.

Dr. P A Habeeb Rahiman

CAMPUS FACILITIES

CAMPUS LOCATION

The campus is situated at Marampally, Kochi. It is located between the towns of Aluva and Perumbavoor (KSRTC Route). The campus, spread out in a hilly stretch surrounded by lush greenery, is a sight of delight for a lover of nature. The college is also in close vicinity to the river Periyar and very near to the city of Kochi and the International Airport, Nedumbassery, Kochi

CLASSROOMS

The institute provides its students well furnished spacious A/c classrooms, with latest facilities such as LCD overhead projectors & wireless microphones, optimum lighting and seating which leads to effective classroom training. Apart from this, whole campus has a round the clock high speed Wi-Fi access.

LIBRARY

The MES-AIMAT Library is an outstanding knowledge resource containing a wealth of information resources which includes quality books, periodicals and electronic databases on key functional areas of management.. The library has more than 25000 volumes of text books and over 150 journals/ magazines and access to over 1500 e-journals.

IT INFRASTRUCTURE

IT Infrastructure has been setup with high servers & workstations of leading brands along with LAN connections (both wired and wireless) spread throughout campus. High speed Internet connectivity is provided all students and faculties with a 10 Mbps leased line. The fully air conditioned computer facility includes labs for practical sessions and Internet, has a total of 300 computers. Adequate power backup facility has been provided with high end UPS and generator.

EMERGING YOUNG ENTREPRENEURS FORUM

MES-AIMAT Emerging Young Entrepreneurs Forum (MES-EYE) is a novel initiative which aims at developing the entrepreneurial aptitude and skills of the students. We endeavour to mould the youngsters not just as managers but leaders who will be business and organisational architects. We help our students to become entrepreneurs by providing them not only class based training but also opportunities to get a feel of the industry through constant industry outreach programs. We have also set up an IT Incubation Centre to assist our students to enter into the world of business at an early stage of their career.

AUDITORIUM

The college is equipped with an auditorium with a seating capacity of 1500 persons. All the activities are conducted in the main auditorium and a separate seminar hall with a seating capacity of 200 is provided for conducting small events.

HOSTELS

MES-AIMAT campus has two hostel blocks, exclusive for men and women. The hostels have been designed keeping in mind the students' requirements for rigorous study accompanied by soothing relaxation. The capacities of the hostels are adequate for accommodating the students and a few rooms have also been converted to accommodate guests.

- Excellent faculty with doctorate degree & industry exposure
- Well stocked library with online access to e-journals and OPAC facilities
